TruthScore Breakdown

Culture & Toxicity

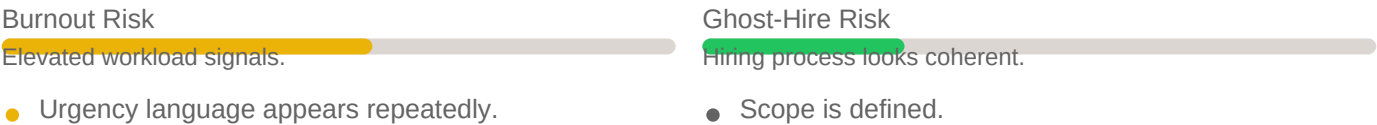

Toxicity Score: 42 / 100
Some flagging phrases detected.

MEDIUM

"rockstar"

Unrealistic expectations.

Burnout & Ghost Hiring

Salary Fairness

fair

Confidence: medium

Estimated Market Range: Likely near market.
Reasonable scope.

Equity Options Projection

Options Granted:	15,000
Strike Price:	\$1.25
Estimated Ownership %:	0.15%
Vesting Schedule:	4-year vesting, 1-year cliff

HR Claim Verification

Internal tension and timeline mismatch.

Mismatches & Claims

Claim: "Work-life balance"

Mentions on-call and urgent turnaround expectations.

Confidence: high

Bait-and-Switch Timeline Audit

Location | Severity: HIGH

Location changed from fully remote to fully onsite in Seattle.

Stage 1 JD: "Fully remote allowed"

Stage 2 Chats: "Usually remote, hybrid maybe"

Stage 3 Contract: "100% onsite in Seattle"

Compensation | Severity: MEDIUM

Final base salary offer is below the minimum posted on the job description.

Stage 1 JD: "\$150,000 - \$180,000 base salary"

Stage 2 Chats: "\$160,000 base discussed"

Stage 3 Contract: "\$145,000 base offered"

Legal Trap Scan

Contains critical clauses that require careful review.

IP ASSIGNMENT

Risk: HIGH

"All inventions and discoveries made during employment, whether on company time or personal time, belong to the company."

Warning: Overbroad IP assignment clause claiming ownership over personal projects.

Strategy: Negotiate an exclusion list detailing pre-existing personal intellectual property.

NON-COMPETE

Risk: MEDIUM

"Employee will not work for any competitor globally for a period of 12 months after termination."

Warning: Restricts post-employment opportunities; 12-month global scope is quite broad.

Strategy: Request reducing the duration to 6 months and limiting the geographic scope.

Reverse Interview Questions

01 How does Real World Corp measure success?

Growth - Turns vague expectations into concrete success criteria.

Career Simulation

Promotion likelihood: 55% | Retention: 65%
